

Pressac Part Numbers**Disconnection Strip P60.10856.XXXXX****Designation Strip P60.10697.XXXXX****Product Overview**

These OFTEL approved 10 pair modules have been designed and manufactured to fit industry standard back mount frame or connection boxes

**Features & Benefits**

- LSA compatible
- Each contact accepts up to two wires in the range 0.4 to 0.63 (mm)
- Terminates 10 pairs
- Facilitates 'look both ways' disconnection testing
- Suitable for use with designation strips
- OFTEL general approval NS/G/23/L/100005

**Additional Information**

Disconnection modules have two piece contacts normally closed, incorporating a disconnection facility. They provide a continuous link between permanent wiring and jumper wiring, giving provision for monitoring access and over voltage protection; with the advantage of individual pair disconnection and four wire test access

Materials

Moldings	Flame retardant ABS
Contacts	Phosphor bronze
Plating	20u" Silver over Nickel
