The P500 collection is a series of wall mounted metal connection boxes with back mount frames which have been designed and manufactured to accept industry standard 10 pair IDC disconnection strips.

Features & Benefits

- Fully lockable door
- 180° opening door with quick release hinges
- Left or right handed door entry
- Internal cable management rings
- Back mounts are permanently earthed to a 5 way earth bar

data sheet

Additional Information

The P500 series is manufactured from mild steel and finished in a warm grey colour (BT3PX3) with stainless back mount frames and a brass earth block. Ten 80mm knockouts are evenly distributed around the enclosure to aid installation. Twin tapped 226 mounting rails can be removed to allow up to an extra 50 pairs on each vertical.
